Bob,

Thank you for the info. We'll review and get back to you soonest (my goal is no later than tomorrow). PAO lead is at Navy Region Hawaii (NRH) and Tom has left there to work for us at NAVFAC. A new NRH PAO, Kathy Isobe, is working Red Hill.

IRT tentative discussion with CAPT Tufts (will get back to you today if needed to discuss HBWS reply), Monday (1300 HST), is still the preferred option.

V/R,

- Jimmy/

Jimmy,

Attached are three files, our draft newsletter in Word and PDF format, and our draft response letter to the HBWS December 3, 2015 letter we all received when we met the Board on the evening of December 3.

You may want to share the newsletter with your public affairs person, is it still Tom Clemens?

We are leaning towards a Monday meeting with you and Captain Tufts, but might be able to meet Friday if that is the only option. We really would prefer Monday though.

Bob
